

Terms and Conditions of Sale

1. Scope: These Terms and Conditions of Sale (“Terms”) govern the sale of products (“Products”) and the provision of Services (as defined below) by Alloy Enterprises, Inc. (“Alloy Enterprises”) to the party listed on the purchase order or other order documentation (“Buyer”). Alloy Enterprises acceptance of Buyer’s order is expressly conditioned on Buyer’s acceptance of these terms and conditions. Any and all Buyer terms and conditions are hereby rejected and shall be of no effect. Buyer shall be conclusively deemed to have accepted these terms and conditions upon any of the following by Buyer, its agents or representatives: (i) written or electronic acknowledgement or acceptance of the Alloy Enterprises terms and conditions, (ii) transmission to Alloy Enterprises, its agents or representatives of any order for Alloy Enterprises Products or Services, or (iii) acceptance of or payment for any Product or Service covered hereby. Alloy Enterprises’ failure to object to any provision contained in any communication from Buyer shall not be deemed a waiver of any provision hereof. Except to the extent Buyer has a written, signed, separate agreement with Alloy Enterprises governing the purchase and sale of Products and/or Services, these Terms supersede any previous communications, representations or agreements between the parties regarding the sale of Products and/or Services. Any changes from these Terms contained herein must be specifically agreed to in writing by an authorized representative of Alloy Enterprises before becoming binding on Alloy Enterprises.

Alloy Enterprises reserves the right to modify or update its Terms and Conditions of Sale at any time without prior notice. Such changes shall apply to all orders placed after the effective date of the revised Terms and Conditions. The applicable version of the Terms and Conditions for each transaction shall be the version in effect as of the date of acceptance of the relevant purchase order by Alloy Enterprises.

2. Prices: All prices are invoiced in U.S. Dollars. All prices are subject to adjustment on account of specifications, quantities, shipment arrangements or other terms and conditions that are not a part of the original price quotation. Prices are exclusive of all federal, state, municipal or other government excise, value added tax, goods and services tax, sales, use, occupational or like taxes, tariffs, customs, duties and importing fees, the payment of which shall be the sole responsibility of Buyer regardless of whether invoiced to Buyer by Alloy Enterprises. Invoiced amounts are consequently subject to increase by the amount of any such tax, tariff, duty or fee that Alloy Enterprises pays or is required to pay or collect upon sale or delivery of the Products. Any certificate of exemption or similar document or proceeding required to exempt the sale of Products from sales or use tax liability shall be obtained by Buyer at its expense.

3. Terms of Payment: All payments shall be made in U.S. Dollars, unless otherwise agreed in writing. Terms are cash upon delivery, except where satisfactory open account credit is established, in which case terms of payment are net thirty (30) days from the date of invoice. Alloy Enterprises reserves the right at any time, in its sole discretion, to revoke any credit extended to Buyer. Alloy Enterprises will issue invoices on delivery in the case of all Products; and if deliveries are authorized in installments, each shipment shall be invoiced and paid when due without regard to other scheduled deliveries. Overdue payments shall be subject to finance charges computed at a periodic rate of 1.5% per month (18% per year) or the maximum amount allowable by law, whichever is less. Amounts owed by Buyer with respect to which there is no dispute shall be paid without set-off for any amounts that Buyer may claim are owed by Alloy Enterprises and regardless of any other controversies that may exist. Buyer does hereby grant to Alloy Enterprises a security interest in the Products and proceeds therefrom as security for the performance by Buyer of all its obligations hereunder. Payment shall be made for the Products without regard to whether Buyer has made or will make any inspection of the Products.

4. Shipment: Alloy Enterprises reserves the right to make shipments in installments. Alloy Enterprises reserves the right to make shipments when Product is available and shall invoice shipments as made. Alloy Enterprises reserves the right to allocate production and deliveries among its various customers under any circumstances. Alloy Enterprises will confirm in writing, and amend as appropriate, the shipment schedule. Under no circumstances shall Alloy Enterprises be liable to Buyer for any delay either in shipment or in delivery.

5. Services: Unless otherwise provided in a separate agreement between Alloy Enterprises and Buyer, where Alloy Enterprises provides services, in connection with the Products (“Services”), the manner and means used to perform the Services are at the sole discretion and control of Alloy Enterprises. All Services shall be performed at Alloy Enterprises’ designated facilities unless otherwise mutually agreed in writing. Services will be provided on a time and materials basis at Alloy Enterprises’ then current hourly rates or at such rates as the parties mutually agree in writing. Alloy Enterprises will invoice Buyer on or after the date of performance of the relevant Services.

6. Ownership: All title to all intellectual property rights in any designs or specifications provided by Buyer shall remain with the Buyer. All title to all intellectual property rights created by or on behalf of Alloy Enterprises relating to the process used by Alloy Enterprises in creating the Products or performing Services shall vest in Alloy Enterprises, including without limitation intellectual property rights created by Alloy Enterprises in the development and manufacture of custom Products and no transfer of title to, or license in favor of, Buyer of any intellectual property rights used by or on behalf of Alloy Enterprises in the provision of Services shall occur.

Notwithstanding anything to the contrary, the warranty in this Section shall not apply to any Product identified as a pre-production version, prototype, sample, reference design, or similar designation or otherwise not having passed all stages of full production acceptance as solely determined by Alloy Enterprises, or to any Services, or to any products (or portion thereof) supplied or licensed by a third party (for which any warranty or services, if any, will be provided by the original manufacturer and not by Alloy Enterprises).

Should buyer knowingly use or consume the product after identifying a breach of warranty or non-conformity in accordance with an applicable certificate of analysis or other written confirmation, the warranty for such products shall be deemed null and void. Failure to provide notice of rejection within the warranty period shall constitute final acceptance.

9. Warranty Remedy: Alloy Enterprises' sole liability and responsibility for Products under this warranty is for Alloy Enterprises to repair or replace any Product that is returned to it by Buyer or credit Buyer's account for such returned Product, provided that Alloy Enterprises shall have the right to reject any such remedy where Alloy Enterprises determines that the Warranty does not apply.
